

# Being a Great Secret Sister

## Tips and Guidelines

- Our Secret Sister is going to run from \_\_\_\_\_ with a reveal at the end. Please read all the guidelines to make sure this is a success!
- Read over your Secret Sister's Survey and familiarize yourself with her answers.
- If anything stands out to you jot down notes on what to get or what you may write.
- Be sure to write down specific dates and try not to let them pass by without sending something.
- As this goes on you may forget to send on a regular basis so a great idea is to mark on a calendar or set a reminder on a regular schedule to send something to your SS.
- Choose thoughtful over elaborate gifts with a minimum of \$\_\_\_\_\_each month. It is truly the thought that counts.
- Remember to remain secretive! Stay late or arrive early to drop gifts/cards off to our drop off location: \_\_\_\_\_

## Starter Ideas

- Think outside of the box, don't choose the obvious gift options. Try to mix and match ideas when possible . Example: favorite fruit-cherries, favorite chocolate-dark=dark chocolate covered cherries! Or maybe her favorite color and flower on a beautiful scarf from her favorite place to shop!
- Print out a favorite scripture and decorate it
- Share a favorite snack and include the recipe on a cute card
- Give a bouquet of favorite candies
- Gift her a CD mix of her favorite style of music
- Pinterest is your best friend (tons of amazing ideas-try it if you need inspiration.)
